

# DYNAMIC AFFIRMATIONS FOR PROSPERITY & ABUNDANCE

The below Prosperity Affirmations are *magical* and can be used just as they are written here or modified and tweaked to suit your personal desires and intentions.

Why are affirmations so powerful? The sound of our voice vibrating within and around us creates hypnotic commands wherever we focus our energy.

Our thoughts create our world and manifest in people, circumstances, and events. Therefore, use these prosperity commands to help align your life with Divine Intelligence.

Use the PRESENT MOMENT to project desired results into the ethers of the Universe as if you have them NOW and watch the Universe align with you.

There is no need AT ALL for undesired aspects of reality to be projected into the future. Observe and identify beliefs that do not serve you and let them go.

Create new ideas and possibilities to come in waves, for you to choose powerfully, what feels “off” and what feels “good”. Use these as guides towards thoughts that feel better and in alignment with your Higher Self.

Lean in to manifestations that feel good to expand and grow as your inner navigation system.

The following Prosperity Affirmations are designed to be used vocally and in the present moment.

For it is in the present moment when we hold our greatest power.
